

# CAROLINA LIVING REAL ESTATE

**FOUNDED IN 2004**, Carolina Living Real Estate was founded with a mission to stay lean and committed to customer service. Currently Carolina Living Real Estate has 8 Real Estate Brokers with vast business and real estate experience. Each Broker is committed to the success of each other as well the success of their clients. The founder (Roby Robertson) has 24 year IT experience as a consultant and has brought the customer service and technology focus to his Real Estate Practice.

**FULL TIME PROFESSIONALS:** Carolina Living Real Estate is made up of top full time sales associates carefully selected to be part of our firm.

**KNOWLEDGEABLE:** In addition to required education for licensing, our sales associates attend numerous courses through Harris Real Estate University to keep them up-to-date on current real estate trends and information. Our training is the most comprehensive in the industry.

**PROFESSIONAL STANDARDS:** Our standards for performance are for the benefit of our clients and they are the highest standards in the industry.

**FINANCING POWER:** Our sales associates and staff maintain day-to-day contact with preferred lending institutions in their business area. This helps our buyers find the best possible financing.

**PREQUALIFIED BUYERS:** At Carolina Living Real Estate, we work to protect buyers and sellers by obtaining pre-qualifying information on all potential buyers. This service helps buyers know if they might be qualified to purchase a new home and it helps sellers know if their purchaser may be qualified to purchase a home.

**INVENTORY KNOWLEDGE:** In order to be successful in working with buyers, each Carolina Living Real Estate communicate weekly of new homes for sale and discuss benefits of our inventory. Our associates are always aware of all the available properties within their market.

**TOTAL COMMITMENT:** Our commitment to you is this – we will always strive to provide professional real estate services to the very best of our ability.
